## SPRINT Robotics Open Stop co-hosted by CO3 Campus and KicMPi

We have the pleasure of announcing that the SPRINT Robotics European Roadshow will include an open stop for all members and the general public in the afternoon of June 28, 2023 at the CO3 Campus in Terneuzen, The Netherlands.

This open stop is co-hosted by KicMPi and CO3 Campus and features leading I&M robotics solution vendors who will be showcasing their technologies to the public.

Aside from stops at major chemical plants and multinational energy companies' facilities, this event is sure to broaden your horizons on the latest digital and robotic innovations in the field of inspection & maintenance robotics.

**June 28**  
15:00 – 17:30h
