

INSPECTION & MAINTENANCE FORUM

JUNE 18-19, 2024

Petrobras Cenpes Convention Center, Rio de Janeiro

SPRINT Robotics Inspection & Maintenance Forum, hosted by Petrobras

Since the inception of the Latin American chapter in 2023, we have witnessed significant advancements and collaborative efforts. Building on this momentum, we warmly invite you to join us at the SPRINT Robotics Inspection & Maintenance Forum at the Petrobras Cenpes Convention Center in Rio de Janeiro on June 18-19, 2024.

On the first day, participants can look forward to engaging discussions, valuable insights, exhibition opportunities, and abundant networking opportunities. Take advantage of this enriching experience to grow in the region! Before the day ends, recap and relax with industry colleagues and friends at our networking dinner.

On the second day, the SRLA Chapter Meeting will focus on discussing future developments in the region. Additionally, attendees can enjoy a special tour of the Laboratory of Non-Destructive Testing, Corrosion, and Welding at the Federal University of Rio de Janeiro (UFRJ).
