

SPRINT Robotics Pavilion at StocExpo 2025 in Rotterdam: an exclusive exhibition opportunity for SPRINT Robotics member companies

SPRINT Robotics and StocExpo have renewed their partnership for another year, combining SPRINT Robotics' industry expertise and global network with StocExpo, the international tank storage & energy infrastructure event.

Industry leaders meet to stay ahead of the competition, network and gain new business at the Rotterdam Ahoy in Rotterdam, the Netherlands on March 11th and 12th, 2025.

Featured at the upcoming StocExpo will be the SPRINT Robotics Pavilion, a dedicated space for SPRINT Robotics technology suppliers and service providers to exhibit their solutions including a demonstration area to show robotics in action. SPRINT Robotics can offer the member companies discounted exhibition rates which include an exclusive marketing package.
